

COOPERATIVE LEARNING RUBRIC
Cooperative Learning ESLR

Name: _____

Name of Assignment : _____

Assignment Description: _____

ALL STUDENTS WILL BE ABLE TO:

Contribute to the definition and organization of tasks into workable segments.
Accept and complete assigned role and/or mutually agreed upon tasks.
Listen and respond constructively to others' ideas and criticism.
Build, reach, and support consensus when the task requires a group decision or conclusion.

RUBRIC (5 POINT)

5 Student demonstrates exemplary cooperation through participation in the definition, organization, and completion of tasks through:

- volunteering ideas
- listening respectfully and actively to others in the group
- following through with assigned tasks in a timely manner
- participating equally and appropriately in the final group presentation, whether it be written or oral
- demonstrating respect for others in the group
- accepting constructive criticism
- accepting leadership roles as needed
- working for the good of the group rather than for personal recognition by building and supporting consensus

4 Student demonstrates adequate cooperation through participation in the definition, organization, and completion of tasks through:

- listening respectfully to others
- completing assigned tasks
- participating in any final group presentation

3 Student participates to some degree on assigned tasks, group discussions, and the final group presentation but does not consistently demonstrate the behaviors listed in point 4.

2 Student participates infrequently in group discussion and participates minimally in task completion.

1 Student does not participate in group discussion nor attend to task completion.
